5-min Video of Ross Stein on the Greatest Achievements in Earthquake Science in the Past Century

POSTED ON [DECEMBER 19, 2018](#) BY [JASON PATTON](#)

[Jason R. Patton, Ph.D.](#), [Ross Stein, Ph.D.](#), [Volkan Sevilgen, M.Sc.](#)

Temblor CEO Ross Stein was asked by the American Geophysical Union to give a plenary Centennial presentation to the 28,000 attendees at its Fall Meeting in Washington D.C., last week.

The entire suite of videos from this plenary session are available online [here](#) (requires a simple registration [here](#)).

Here is what Ross said:

Short video of Ross Stein on the greatest achievements in...
